COMMUNITY. MAKES. CHANGE.

Join us for an unforgettable evening of celebration and philanthropy at the Inglis BASH, our fund- and friend-raising event that supports the **Ability Fund, the annual fund of the Inglis Community**. In 2024 we will bring together individuals from across our community who are committed to supporting the lives of those living with disabilities. Together, we will celebrate stories of impact and honor the bright stars who are pioneering positive change for the disability community.

As a sponsor of the 2024 BASH, you are supporting Inglis' mission to help people with disabilities live independently and achieve their goals. As an investor in Inglis' mission, you will also connect with like-minded individuals who are passionate about making a difference.

The 2024 BASH will be hosted at The National Constitution Center, a place that reflects on the power of *We the People*. Join us as we come together around our shared values of independence, ability, and inclusivity. Together – as a community – we make change possible.

ABOUT INGLIS

For more than 145 years, Inglis has constantly invested in innovation to enable people with disabilities — and those who care for them — to achieve their goals and live life to the fullest. Focusing on the power of choice, we strive to remove barriers to independence by addressing the needs of the disability community with an adventurous and creative spirit.

The Inglis of today seeks to make change in our community by building our programs and services with innovative models of care and new technologies that enhance independence and ability. This includes serving as the largest private provider of affordable and accessible housing in the Greater Philadelphia region; supporting a person-centered community of care in skilled nursing; making existing homes more accessible through modification; and pioneering the use of assistive technology. Inglis is grateful to touch the lives of more than 2,000 people each year.
